Thank you for taking the time to read through this brochure about **New Hope Assembly**. Look us over, check out our website at www.mitchellnewhope.com and we invite you to **visit us Sunday morning at 10:35 a.m.** at 1456 13th Avenue in Mitchell, Nebraska. We are **right behind the Subway** building.

Our goal is to be **non-judgmental, loving, and people oriented**. **New Hope Assembly** is **not about religion** we are about **relationships**, first with **Jesus** and then with one another. We seek to **fall madly in love with Jesus** and allow our lives to **reflect His love**.

The messages, services, and activities at **New Hope Assembly** seek to be **contemporary and relevant for today**.

We are **not about stuffy, boring religion**. Instead **New Hope Assembly** attempts to bring God's Word alive. To be **modern** in our **music, our style,** and in our **outlook**.

New Hope seeks to **draw near to God, develop relationships** with God, each other, and our community, and **discover and use the talents** God has given each of us.

Church is people **impacted by God** and **impacting others with God's love**. Church is more than a building it is us touching our world.

At **New Hope Assembly** our desire is to keep **Jesus Christ front and center**. Our **relationship with Him** is the basis of what we do. Our desire is to **love others** with the same unconditional love that **He loved us** with on the cross. It is **Jesus' love we want to share** with others. It is this **relationship that changes lives and brings us together** as a family.
