# Take a journey on the Gospel Trek:

Walk in the steps of Peter, Andrew James, John and the rest of the disciples as you follow the Master Teacher through the Holy Land. You'll see blind people receive their sight, lame people leaping, and the dead brought back to life. This trail will take the adventurer through the gospels one time where they will personally be confronted with Jesus' age-old question, "Who do you say that I am?". At the completion of each chapter, Participants will be asked to give a synopsis of what the chapter was about as well as to make note of what stood-out to them or what they learned from that chapter. If adventurers will discipline themselves to travel through one chapter each day throughout the summer, they will be able to easily complete this trail.

## Needed for the Journey

- 1) New Testament
- 2) A notebook to summarize the chapters and make

notes about what stood out to you or what you learned from reading the chapter.

### 3) Pen or pencil
